Catalog Description:
Investigates the period of American literary modernism (1900 to WW II). Topics include nationalism, migration, race, gender, and the impact of the visual arts on literary modernism, as well as the relation between modernity/modernization (social, economic, and technological transformation) and modernism (revolution in literary style).

GE Requirements:
Visual, Literary, and Performing Arts (VLPA)

Credits: 5.0
Status: Active
Last updated: October 17, 2018 - 10:50pm
