BOOKS

- **Composing (Media) = Composing (Embodiment): Bodies, Technologies, Writing, the Teaching of Writing** (Arola and Wysocki 2012). Examines how theoretical understandings of embodiment and multimodality intersect; also has useful pedagogical resources enacting the theory and research featured in each chapter.
- **Digital Humanities Pedagogy: Practices, Principles, and Politics** (Hirsch 2012). Contains article on digital humanities in a first-year writing course. Select "Read the PDF" or "Read the HTML" to view the text online.
- **Digital Rhetoric: Theory, Method, Practice** (Eyman 2015)
- **Digital Writing: Assessment and Evaluation** (McKee and DeVoss 2013)
- **Mics, Cameras, Symbolic Action: Audio-Visual Rhetoric for Writing Teachers** (Harbritter 2012)
- **Multimodal Composition: A Critical Sourcebook** (Lutkewitte 2012). Instructors can order a free exam copy via the publisher's site.
- **Multimodal Literacies and Emerging Genres** (Bowen and Whithaus 2013)
- **On Multimodality: New Media in Composition Studies** (Alexander and Rhodes 2014)
- **Reading the Visual: An Introduction to Teaching Multimodal Literacy** (Serafini 2013). Instructors can order a free exam copy via the publisher's site. Serafini's website features a handout that condenses the book's key ideas.
- **RAW: (Reading and Writing) New Media** (Ball and Kalmbach 2010). Text has a companion website with chapter summaries and references.
- **Remixing Composition: A History of Multimodal Writing Pedagogy** (Palmeri 2012). Offers a historical understanding of how multimodality is not a recent phenomenon in composition theory.
- **Toward a Composition Made Whole** (Shipka 2011)
- **Vision, Rhetoric, and Social Action in the Composition Classroom** (Fleckenstein 2009). Text discusses multimodality and social action.
- **Writing New Media: Theory and Applications for Expanding the Teaching of Composition** (Wysocki, Johnson-Ellola, Selfe, and Sirc 2004)
- **Still Life with Rhetoric: A New Materialist Approach for Visual Rhetorics** (Gries 2015). Book includes extensive case study of Fairey's Obama hope image to illustrate how one might apply the theorized new materialist approach.
